

THIRTY-SECOND (1988) REGULAR SESSION

COMMITTEE OF THE WHOLE

RECORD OF THE FIFTY-EIGHTH MEETING

Corrigendum

Amend paragraph 68 to read as follows:

"68. Mr. METZGER (Federal Republic of Germany) said his delegation was convinced that the financing of technical assistance by TACF was the method best suited to achieving the objectives of resolution GC(XXV)/RES/388, especially when it considered the constraints in the Regular Budget and the arrears in the contributions of some Member States. His Government was satisfied with the agreement on IPFs for the years 1990-92, and for 1989, as in the past, the Federal Republic of Germany had promised to pay its full share of the target set for contributions to TACF, actual payment being subject to approval of Parliament."
