**ISSUE OF SUMMARY RECORDS OF
THE GENERAL CONFERENCE**

The General Conference decided that the summary records of its plenary meetings and of the meetings of its committees should be issued only once and that any corrections requested by delegates should be issued separately in consolidated form for the entire series of meetings.

The Conference further decided that an amendment to Rule 89 of its Rules of Procedure should be formally considered at its thirty-third (1989) regular session and that the new practice should be initiated with immediate effect.
