1. Add a new sub-paragraph 6 as follows:

"6. to the special needs of the under-developed countries in relation to materials and equipment to be supplied from the Agency."

2. Change the number of the present sub-paragraph 6 to sub-paragraph 7.

3. Paragraph F-5: add the word "directly" between "arising" and "from" in the last line. The amended line will then read as follows: "or any patents therein arising directly from the project."
