DRAFT PROVISIONAL RULES OF PROCEDURE OF
THE GENERAL CONFERENCE

Very few copies remain in stock of document IAEA/PC/W.36(S) which is referred to under item 5 of the draft provisional agenda for the 54th meeting of the Preparatory Commission. For the convenience of delegations however, Rules 68, 75 and 76 as they appear in document IAEA/PC/W.36(S) are set forth below. With these exceptions action has been taken by the Preparatory Commission on all the Draft Provisional Rules of Procedure for the General Conference and the Commission's recommendations have been printed in document GC.1/9:

"Rule 68. Secret Ballot. Election of Members to the Board of Governors shall be by secret ballot. There shall be no nominations. Other elections shall be by secret ballot if ten or more Members request or if the presiding officer so decides.

Rule 75. Methods of election. At each regular session there shall be a separate election in accordance with Rule 69^x of these Rules, in respect of each geographical area from which the General Committee has determined that a Member must be elected. After all elections in respect of

geographical areas have taken place, there shall be a single ballot to elect Members to any other elective places remaining vacant. If more than one such elective place is to be filled, the procedure set forth in Rule 70^x of these Rules shall be followed.

Rule 76. Invalid Votes. Invalid votes shall include votes cast for Members who are ineligible for membership on the Board of Governors as from the end of the session concerned. Should the validity of a vote cast for a Member be challenged on the grounds that the Member concerned is not in the appropriate geographical area, the General Conference shall rule on the validity of the challenged vote before the vote is finally counted."
